**The Iowa Taxpayer Transparency Act Background Information:**

Earlier this year, Iowans for Tax Relief took part in a press conference at the Iowa Statehouse with five Iowa lawmakers introducing the Iowa Taxpayer Transparency Act of 2009. House File 74 would create a single website database for taxpayers to search state expenditures and all tax rates across the state.

Iowans for Tax Relief enthusiastically SUPPORTS the Iowa Taxpayer Transparency Act of 2009. We believe all Iowans should be able to easily access the details on how we are taxed and how our money is spent.
