

Iowans for Tax Relief
The Taxpayers' Watchdog

Just say **NO**
to a
Tax on a
Tax!

Call to Action!!!!

On Tuesday, March 31, 2009 the Iowa House is holding a public hearing on the bill to repeal federal deductibility in Iowa. Federal deductibility, for many is our largest state tax deduction, and it is in grave danger of being eliminated.

The proposal to force you to pay a tax on a tax is an active piece of legislation (HSB 284) and the majority leaders in the Iowa Capitol want to move the bill this week!

We have an opportunity to save it, but we NEED your help.

PUBLIC HEARING: Tuesday, March 31, 2009

We are meeting Tuesday night at 6:30pm at the State Capitol Cafeteria (use the south entrance) in Des Moines, there will be a public hearing on federal deductibility from 7:30pm-9:30pm. We need to have hundreds of Iowans come to the House Chamber at the Iowa Capitol on Tuesday and show the Legislature that Iowans want to keep their federal deductibility by saying No Tax on a Tax!

If you can attend the public hearing at the State Capitol on Tuesday at 6:30pm please join us. Also, bring a friend, a family member, or even a co-worker with you. Your support will make a difference in protecting all Iowa taxpayers.
