TOPLINE REPORT

Question	Response	Frequency	Percent
Q1. If Iowa were to lower taxes, which specific tax should be lowered first – the individual income tax, the sales tax, the property tax, or the corporate income tax?	INCOME TAX FIRST	350	40.5
	SALES TAX FIRST	118	13.7
	PROPERTY TAX FIRST	331	38.3
	CORP INCOME TAX FIRST	30	3.4
	DON'T LOWER TAXES	19	2.3
	NOT SURE	16	1.8
	TOTAL	865	100.0
Q2. Now, If Iowa were to lower a second category of taxes, which specific tax should NEXT be reduced - the individual income tax, the sales tax, the property tax, or the corporate income tax?	INCOME TAX NEXT	287	33.2
	SALES TAX NEXT	196	22.6
	PROPERTY TAX NEXT	266	30.7
	CORP INCOME TAX NEXT	67	7.8
	DON'T CUT TAXES	29	3.4
	NOT SURE	20	2.4
	TOTAL	865	100.0
Q3. Currently, counties across Iowa pay for mental health services through property taxes. Would you support a proposal to provide property tax relief by shifting much of Iowa's mental health funding from county governments to the state government?	SUPPORT	496	57.4
	OPPOSE	153	17.7
	NOT SURE	215	24.9
	TOTAL	865	100.0
Q4. Research has shown that cutting income tax rates generates more economic growth and increased business investment, even when combined with a sales tax increase. Given all we've talked about on this call, would you support a plan to cut income and property taxes while increasing the sales tax rate by a penny?	SUPPORT	448	51.8
	OPPOSE	282	32.5
	NOT SURE	135	15.7
	TOTAL	865	100.0

Telephone survey conducted February 10-13, 2020. Margin of error: +/- 3.33 percentage points.
